

***Learn how to produce a movie from folks already in the film industry!***

*While all participants will be exposed to the whole project on the first day, participants will be assigned into one of THREE tracks on the days of the shoot:*

- ♦ Opening sequence, Titles/Credits, and Special Effects
- ♦ Camera Setups, including handheld, tripod, dolly, crane, and SteadiCam
- ♦ Editing, includes Sound, Foley and ADR

*The final 5-7 minute product of this camp will be submitted to film festivals in the area.*

***Instructor:*** MAC DMC  
*Director Rick Watson will share his recent film industry experience as Director of Photography, Camera Operator, SteadiCam Operator, Location Scout and Production Manager. Other industry experts will share their expertise as available.*
