HAGERMAN MAKES MATH MAGIC AT THE ICE HOUSE

BERKELEY SPRINGS, WV— Hagerman the Magician is back by popular demand! *Math-A-Magic* is Hagerman's newest show to hit schools, featuring his great sense of humor and spectacular magical talents. This show has everything audiences want to see: comedy, magic, audience participation, and of course, math! On Wednesday, November 6 at 7pm, Hagerman brings his magic to the Ice House.

Math can be fun and this show proves it. It invokes a sense of wonder in children when they see miraculous things done with familiar concepts.

Math-A-Magic may be educational but it's also great entertainment perfect for all ages and open to all. Admission is by donation.

The Morgan Arts Council brings Hagerman's *Math-a-Magic* program to county schools November 4 - 6 as part of its Adopt-a-School program. Funding for this and other Adopt-a-School programs comes in part from the WV Department of Arts, Culture and History, and the National Endowment for the Arts, with approval from the West Virginia Commission on the Arts, the Eastern West Virginia Community Foundation, Tom and Virginia Seely Foundation, the Clay Center, and local hotel/motel taxes.

The Ice House is at the corner of Independence and Mercer Streets in downtown Berkeley Springs, WV. For more information on this and other MAC activities, call 204-258-2300 or visit www.macicehouse.org.
