

# THEATER SPONSORSHIP

Fall 2024

As the official arts council of Morgan County, the Morgan Arts Council (MAC) is dedicated to Getting Art Out There. When you or your organization partners with MAC's Theater Project, you are demonstrating your leadership and commitment to supporting the arts in our community. Each time the lights dim, the audience hushes, and the first words of dialogue are spoken, everyone will know your support made it happen.

We invite local businesses and organizations to sponsor our upcoming theater production, *The Real Inspector Hound*. Shows will run between October 18-27, 2024.

Contact [jordan@macicehouse.org](mailto:jordan@macicehouse.org) by October 5.
